Anita Fire Hose Company Etc.

SUPPLIES & SERVICE

Anita Fire Hose Company Etc. is a vendor of new Fire, Wash Down, Rack & Reel, Single and Double Jacket Contractor Hose, Nozzles, Adapters, Reducers, Bushings, Hydrant Wrenches, Gate Valve Wrenches, Ball Valves, Risers, Wyes, Couplings and other hose related products.

Anita's State of the Art Hose Shop can cut to length and couple hose to meet your job specifications. If your hose needs re-coupling and/or pressure testing, we can also provide that service for you.

Anita's "Fire Specialties" Division can supply you with new Fire Extinguishers, Cabinets, Roof Hatches, Access Panels, Louvers, and most Fire and Safety Equipment estimated per your plans and specifications by our "onsite" Estimator.

Anita's "NEW" *Installation & Service Division* will provide portable Fire Extinguisher, Fire Alarm and Fire Suppression System Service & Installation. We specialize in "CLEAN AGENT" Systems Some of Anita's Manufacturers and Products include:

- Defibrillators by Cardiac Science
- AMEREX Fire Extinguishers
- JL Industries/Samson/Air Louvers/Hiawatha West
- Potter Roemer & Larsen Cabinets
- American Flag Pole
- Superior Fire Hose, Key Fire Hose & Snap-tite Ponn Hose
- Fire Hooks Unlimited, Hydraulic & Pneumatic Rescue Tools
- Barry Craft Tree Grates
- Greenheck Louvers
- Bilco Roof Hatches
- ADI Fire Alarm Panels
- Knox Company Lock Boxes
- Akron Brass

Our Goal is to offer a variety of fire & life safety products to keep our public protected from harm; to provide the necessary hose services to allow our contractors, military & fire departments to do their jobs, attain their objectives; all while offering the lowest competitive price with the highest quality of personalized service.
